RULES AND REGULATIONS

- 1 All exhibitors must be members of either the CSSA or an affiliated club.
- 2 All entries must be registered prior to show placement. Pre-registration is required for class 129. Please contact Show Chair.
- 3 All plants must be grown by exhibitor for a minimum of six months prior to the show.
- 4 Class 1 through class 122 are for INDIVIDUAL POTTED SPECIMENS, i.e., one physically connected plant per container.
- 5 Size refers to the inside diameter of the pot, except miniature Aloes.
- 6 Both sections of an entry card must be completed for each individual entry. Please fill out cards prior to set-up.
- 7 Variegated plants must be shown in the variegated class, except *Gasteria* and *Sansevieria* which may be shown in either variegated or in the class.
- 8 Grafted, seed-grown and plants in plastic pots must be indicated as such on the entry tag and flagged.
- 9 Crested or Monstrose plants with more than 30% fasciation must be entered in Crested or Monstrose class.
- 10 Collections must be either groups of one genus or groups with similar characteristics, i.e., 'Plants of Baja' or 'Crested Cacti'. Only one plant per pot.
- 11 Props or figurines may only appear in the dish gardens and displays. Rocks or other natural objects are permissible.
- 12 Planters are defined as multiple plants on separate root systems in one pot. Plants in the same genus are acceptable. Dish Gardens are defined as multiple plants on separate root systems with multiple genera and/or with added props.
- 13 Intergeneric hybrids may be entered in the class of either parent, but not in other genera, unless either parent would be entered in such class.
- 14 Bonsai plants are defined as those plants which have been artificially altered in form or function. These are shown in the class of the plant.
- 15 Show committee and judges have the right to relocate plants.
- 16 Show judges and Chair will award two rosettes each.
- 17 Cactus judges will judge classes 125-132.
- 18 **THE JUDGES' DECISIONS ARE ALWAYS FINAL.**
